Patrick Unsby, a Y1 business student at FSB, has been recognised by The Mayor of Croydon, Cllr Kabir, and FSB's senior management for his outstanding video production and photography work.

Learning of his achievement and accolade, Patrick said: 'When I received the email saying I had been awarded a £100 Amazon gift voucher for my FSB video and photography work, I just couldn't believe it! It was not expected at all – as I felt that just by helping during The Mayor of Croydon and Central Croydon MP visit to FSB was already a win for me.'

Patrick also spoke of the wider academic assistance offered by FSB, highlighting it as a key support to his studies: 'One of the great things about FSB is the support offered to students and the belief they have in each student's potential. Whenever my video production work confidence was lacking, I was supported by FSB staff from the academic team, student support and the marketing team. I just feel that I would have not had the same success without them.'

Speaking about the reward, Patrick continued: 'I'm looking forward to spending the money on camera equipment and a website where I can put my business and video skills together.'

Patrick stands proud with his reward and fellow student and staff supporters

Dr John Pomeroy, FSB Principal, said: 'Patrick's dedication and aptitude has actively gone above and beyond the requirements of a Y1 business student. His creative video work is fast becoming an inspiration to many fellow FSB students and staff.'

Mr Mohamed Zaidi, FSB's Deputy CEO, added: 'FSB takes great pride in its students and rewards those that demonstrate an extraordinary commitment to quality and innovation.'

Dhan Chooramun, FSB's Associate Dean, commented: 'I would like to say an enormous thank you to Patrick for his continued commitment and contribution to FSB. I look forward to more of his positive contributions and projects in the near future.'

FSB encourages its students to highlight and share their passions, talents and achievements by making outstanding contributions to FSB's community.
