How will I be assessed?

The programme uses a wide range of assessment methods. Formative assessments will be used to monitor your progress on the course and enable your tutors to identify any support needs you may have prior to undertaking your summative assessments.

The assessment portfolio includes case study analysis, formal examinations, individual and group business reports, oral and poster presentations, multiple choice questions, individual research projects and so on. Clear assessment criteria enable you to evaluate your progress and identify areas for further improvement and development.
