HELLO

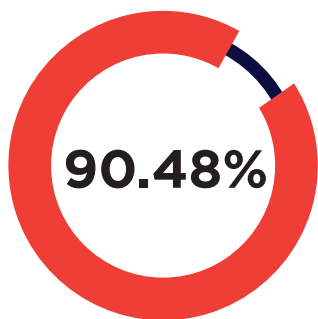

MBA

Postgraduate Study

The MBA Leadership course offers executive leadership education and professional career development for individuals with existing management experience.

Created and delivered through close consultation and collaboration with employers, the course is designed to ensure that you'll graduate with the leadership skills that organisations need in an ever-changing business environment.

WHY CHOOSE FSB?

FSB's overall NSS 2021
student satisfaction rating

- ➡ Study a career-boosting course accredited by Bath Spa University
- ➡ Gain a globally recognised professional qualification
- ➡ Stand out from the crowd with an armour of academic integrity and skills
- ➡ Enhance your expertise in your chosen field
- ➡ Augment your employability factor
- ➡ Study at one of our campuses in London - some of the largest cities in the UK offering networking opportunities to enhance your career development aspirations
- ➡ Taught in small groups so you get more lecturer support and increased group interaction
- ➡ Flexible delivery timetabling, organised with your work commitments in mind
- ➡ Study with like minded individuals from professional and business backgrounds
- ➡ Excellent opportunities to grow your professional and social networks.

INTERESTED IN APPLYING?

What we look for in potential students

You'll usually have a strong undergraduate degree in any academic subject. You'll also normally be expected to have at least two years work experience after graduation, where you can demonstrate that you have management experience and need to further develop your leadership skills and business and management expertise.

For more information contact our admissions team, they will be happy to help.

HOW DO I APPLY?

With your application, you'll need to upload your undergraduate degree certificate, an up-to-date CV, and two references – one from your current employer, and an additional professional reference (this can be from someone else in your current organisation, or can be an external reference from a different organisation).

All candidates will be interviewed by an academic member of the course team.
