

Fairfield School of Business

MA

Business and Management

Postgraduate Degree

Broaden your understanding of the fundamental principles of business and management in a rapidly changing and increasingly globalised world.

Supported by practice-based interdisciplinary teaching and research, you'll develop your business expertise alongside the practical and professional skills needed to effectively manage the challenging issues affecting organisations today.

Gain a thorough grounding in current best practice and theory, enriched by real world problem solving through first class teaching and access to a valuable network of industry links.

BM7046 Sustainability

BM7019-15 Entrepreneurship

BM7012-15 Marketing Management

BM7020-15 Managing People

BM7047-15 International Business Management

BM7048-15 Strategic Operations Management

BM7101-60 Research Project

Entry Requirements

You'll normally have a good undergraduate honours degree in any academic subject. You may be considered without an undergraduate degree if you can demonstrate considerable relevant experience. You may be asked to attend an interview.

If English is not your first language, you'll need to provide evidence of proficiency in the English language. Applications for postgraduate study will require English language proficiency equivalent to an IELTS score of between 6.0 and 7.0, with a minimum of 5.5 in each component (Writing, Listening, Reading and Speaking). However all applications will be assessed individually by the Admissions Team.
