Fit and Proper Persons Policy

Version	1.0 Public
Last updated	April 2025
Category	Regulations – Governance
Approved by	Board of Governors

It is a requirement of the Office for Students that all members of Fairfield School of Business' (FSB's) Board of Governors (the Board) and those appointed within the senior management roles within FSB are [fit and proper persons](#).

A fit and proper person:

- i.* is of good character,
- ii.* has the qualifications, competence, skills and experience which are necessary for their role,
- iii.* is able by reason of their health, after reasonable adjustments are made, to perform properly the tasks of the office or position for which they are appointed; and,
- iv.* has not been responsible for, been privy to, contributed to or facilitated any serious misconduct or mismanagement (whether unlawful or not) in their employment or in the conduct of any entity with which they are or have been associated.

The above criteria are tested through reasonable enquiries by FSB' officers, during which nominees or members will be asked to disclose all relevant information and details about matters that have occurred in the UK or another jurisdiction.

The assessment of i, ii. And iii will be made via the relevant appointment process itself. In respect of iv.: the enclosed declaration in Appendix 1 to this document must be made by the nominee or Governing Body member.

Members must also re-confirm their declaration as a fit and proper person at least once a year following their appointment, election or nomination to the role.

Records of the above will be collected and retained by the Clerk to the Board and the HR Team, using the proforma checklist in Appendix 2.

Should the Fit and Proper Test reveal any of the following, this shall be evidence that an individual may not be an appropriate person for a role in the Board of Governors or the Senior Management Team:

- disqualification from acting as a company director, or from acting as a charity trustee, as set out in the Company Directors Disqualification Act 1986 or the Charities Act 2011,
- conviction of a criminal offence anywhere in the world or the subject of any adverse finding in civil proceedings, where relevant, including, but not limited to bankruptcy or equivalent proceedings (in the last three years),
- subject of any adverse findings in any disciplinary proceedings by any regulatory authorities or professional bodies; involvement in any abuse of tax systems,
- involvement with any entity that has been refused registration to carry out a trade or has had that registration terminated,

- involvement in a business that has gone into insolvency, liquidation, or administration while the person was related to that organisation or within one year of that connection; dismissal from a position of trust or similar. or
- involvement with a higher education provider that has had its registration refused or revoked by the OfS or has had similar action taken against it by another regulator.

Concerns, including as those above that come to light via the appointment or nomination process will be reported to the Chair of the Board, or the Deputy Chair where they concern the Chair; this person will use their discretion in determining how issues are to be addressed.

Whilst some of the above may not automatically disbar an individual from serving as a governor, the Board will take prudent steps to secure any risks or conflicts of interest arising from the individual's appointment; a record of any special assurances will be kept by the Clerk to the Board

Protection of Personal Information

All personal information collected in the process of the Fit and Proper Test, including 'special category' information defined described in Article 9(1) of the GDPR shall be processed in accordance with the provisions of FSB's Data Protection Policy.

The lawful basis for collecting and retaining this information is the 'Substantial Public Interest' condition in Article 9(2)(g) of the UK Data Protection Act (2018).
